First Short Course Carnival

With the third successive year Cooktown hosts yet another awesome short course carnival to kick off the new season. This time Stingrays has 29 swimmers attending, next only to Malanda's contingent of 30. The host club put forward 27 swimmers.

It was an afternoon-early evening 'twilight' carnival under fine conditions, running without a hitch. All our swimmers put on a fine performance and placement results by age are as per the table right.

Aside from official placement results, personal results were achieved by those featured on this page who all managed a 100% improvement record in their entire events (p.b times obtained from last season's short course results). The girls were dominant in this even though they were in the majority, with only James Greenwood among the boys improving in all his four races.

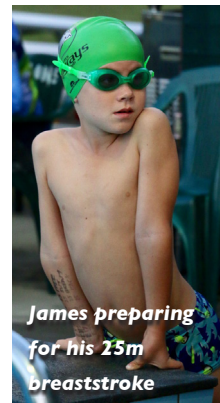

Most of our families remained in Cooktown overnight and we had a communal get-together for dinner at the local RSL.
