Malanda traditionally puts on a festive carnival before the Christmas break as a fun, relaxed finale to the first half of the swimming season, prior to the break - unless swimmers were also attending the State Championships.... The host club had 45 members come 'out-of-the-woodwork' - amazing for such a small club! Cooktown attended with a respectable group of 29 swimmers.

We had a small contingent participating this year of seven girls, and two boys, including several newcomers to the club - a great opportunity to 'practice'. Although p.b.'s were few and far between they mostly managed some respectable placements in their Age categories according to the table above-right.
