End of Year Prizegiving Souvenir Edition

A post-lockdown morale-boosting off season activity with some beach fun and games, surf lifesaving-style at Trinity Beach.

The 2019-20 season began quite unexceptionally, with life within a swimming club carrying on as usual. There was the short but sweet short course over the 'winter' period, leading into our preparation for the summer season; a push for a sign-on, then into the busy period of mostly weekly club nights interspersed with the regional carnivals. Then came Christmas, our usual frivolity - a bit of winding down with some pool-based games, Santa and present giving, and a spread of food.

All was proceeding happily; the last few carnivals in the new year, Easter with our egg raffle, and then the planning of our end-of-season finale - our long weekend camping at Tinaroo, which we have been combining with our end of season prizegiving the last few years into a great social event in our calendar.

That was all fine, UNTIL... Covid-19 happened. We had barely finished the season - the FNQ long course Championships was being held immediately preceding LOCKDOWN. Then time stood still. We had to socially distance. All thoughts of the camping trip had to be suspended, we couldn't even hold an award presentation where the club members could get together - finally, in September we were able to gather and hold the Presentation - in the confines of our pool grounds.

Having some recreational games and activities at the Christmas break-up club night.

2019-20 Season Awards

Club Volunteer Award 2019-20

decided by the Management Committee and goes to a parent/ caregiver who has made an extra contribution to the club during the season.

As Trevor was somehow indisposed that night, his children Natalie and Hayden were willing to receive the trophy on their father's behalf, and pose for the photo.

Presented to Trevor Beck

for his dedicated service to the Club
this season.
