The second long course carnival of the season was held at Trinity Anglican School over two days - the friday evening, with a mixture of middle distance races and two of the 50m races, and then the saturday for all other races broken up by the long distances in the middle. The meet finished shortly after midday. Pleasant weather conditions prevailed over the course of the weekend.

Results were compiled for each individual age, up to 16 and Overs, with placement results according to the table, below left. Well done to Emilee who came top of the Placements table as well as improving in four of her five events, and for Ryan who got four first places and p.b.'s in them as well. Others shown on this page performed well in their p.b.'s, with perfect scores - all their events - from Natalie, Mark and Joel, and all but one by Kiana.

This was also the debut carnival for our club visitor, Putri from Indonesia, who is one of Ryan's cousins here training, and taking part in carnivals with Stingrays for a while.
