TAS Swimming Club wanted to stage a last-minute additional carnival for those wanting to achieve times for the upcoming National championships - and to make things a little different they set it up with mixed races; so males and females were racing together for once - hence the 'Mix-it-up' title.

We had a small contingent enter and despite the threat of rain it turned out to be quite a fine day. Siena, our youngest entrant took part in the 25m races and came first in all of them. Placements in age category were as per the table right, and most improvements came from Siena, Brooke, Kiana and Daniel. Kiana achieved a 13s p.b. in her 200IM, Madelin took 8s off her 200back and Ryan 5.6s from his 400free.
