CLUB NIGHT NOTICES

The last event for this year is our break-up Christmas Party held on Friday 7th December. A few festive activities will be staged, followed by our communal 'Stingrays party salad bar extravaganza', for which we ask families to contribute a plate or dish of healthy food; the Club provides the meats. Afterwards we get a visit from Santa!

Parents, remember there is a small task required of you to make the evening a success!

THIS MONTH'S SWIMMING EVENTS

MALANDA FAMILY CARNIVAL - Saturday 8 Dec.
gates open 8am for a 9am start
Venue: Malanda Pool (25m)

Nominations close on Monday 3rd Dec.

This is a great meet to end the first half of the season; it's a 25m pool so it is ideal for young swimmers, and it's all staged in a fun, festive atmosphere.

QUEENSLAND STATE CHAMPIONSHIPS in

December to which Stingrays has a total of 8 swimmers participating - see left:

For those unable to attend, you can follow the action on their live streaming, go to Swimming QLD website and find the link. They also publish a Timeline giving approximate times when events are staged through the days so you can aim to watch our swimmers. They will also be in action in the various relays on the first day, Saturday: there will be both Club relays, and Region relays. Stingrays will have a boys' relay team, but no girls' as there are only two girls attending; however, the girls, and boys have the opportunity to be selected to represent our FNQ Region in the region relays.

STINGRAYS' RECYCLING INITIATIVE

As of last month, Stingrays in conjunction with Woree Pool is getting involved in recycling glass bottles, plastic bottles and aluminium cans as part of the government recycling refund scheme. This is yet another branch to the club's fundraising efforts as we collect donated recycle items at our venue to be returned to the collection depots, earning the club some useful funds through refunds.

You will notice collection bins already placed around the pool. We are in the process of introducing some more customised bins that clients to the pool, and our own members can take advantage of as a convenient drop-off point for our own recycle waste... and know that you are contributing to the club's very worthy cause!
