Our second short course carnival was a two-day Transition Meet jointly operated by Saints and Tobruk swimming clubs and held at the Tobruk Memorial Pool. The first 'day' was on a Friday evening with the 50m races of each stroke, and the 100m IM. Conditions were finally compliant with winter expectations - cool and dry, at last.

"Official" Placement position result winners are as shown in the table left, with Lloyd and Ryan doing well and placing in all their events. Results were combined, not multi-aged hence fewer placements. Ryan obtained one p.b. Although the other swimmers didn't achieve placements they all performed well, and these swimmers achieved the best number of p.b's: Natalie and Toby both p.b'ed their three events each, Flynn p.b'ed in six of his eight events; Madelin improved four of her seven events and Nate improved three of his five events. There were no disqualifications (D.Q's), and the three no-swims were because of illness of one swimmer on one of the days.

Good effort swimmers!
