The Mareeba Carnival for this year was not so well supported by the region's clubs generally - with a total number of participants at 94 - very lean compared with others; two large clubs were distinctly absent.

Stingrays swimmers formed the second largest club, after the host club, yet our numbers were down on other carnivals.

This didn't dampen our spirits, and everyone gave it their best. The boys were outnumbered by girls of course, and p.b's (personal bests) were fewer in general overall. Natalie Beck performed best on that score, improving in three of her four races. Those others managing a 50% improvement rate were - Zara, Ella, Sienna and James. Despite outcomes it was plain to

see great camaraderie and social bonding being made within the club - parents included.
