### Club Night Notices

First up in May is our end-of-season Awards Presentation weekend camp at Barrabadeen, lake Tinaroo during the first weekend of the month. With the water-level practically to capacity it looks like we shall have a great time, although by recent accounts we might have to rethink the previous foreshore activities and bring them further up the headland!

Towards the end of May we will hold a club night as per usual on the 25<sup>th</sup>. Thereafter there will be one club night per month on the dates shown to right. There may, or may not be another held in August – committee will decide nearer to that date.

So for those families booked for the weekend, just a reminder to contribute a dish of your choice to share at our communal buffet meals - a

vegetable or salad dish, or dessert, to complement the BBQ meat selection the club will lay on; this is always a highlight of a Stingrays gathering with our talented members!
