Season 2022-23

Ninth Long Course Carnival

*Eva Greenwood improved her times in all eight of her events - great effort!*

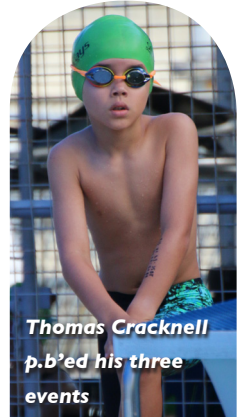

*Nate Brown improved his times in his three events*

The weather forecast for our two-day carnival was not a good one; this resulted in a few cancellations prior to the weekend, so we were a little down on numbers. The first day opened to rainfall, and looked ominous, however, it slowly improved through the day and broke, giving us a hot, humid onslaught in the afternoon. Day two began quite the opposite, with fair conditions, which became heavier again through the day - but rain held off till the end. This had little effect on everyone's keen spirits in the pool however, with plenty of good p.b.'s achieved.

Results in the Stingrays camp are as per the placement rankings table to left, with our two new members, Sunny and Sydney,

showing us what can be achieved when you have a coach for a father! It's great to see the younger swimmers' names reaching the upper region of the table, when they have equal opportunity to place in their age groups. A great effort from all!

*Thomas Cracknell p.b'ed his three events*
