TAS staged their second short course meet (at short notice) two weeks after their first, with a one-day Preparation event - as another opportunity to achieve qualifying times for states'.

Stingrays had 31 swimmers again, albeit not all the same ones as before. This time the weather was a perfect cloudless blue

sky, so conditions were optimal, under the protection of the shade sails. Spectators may have been a little more uncomfortable though facing into the morning sun?

Placement results (to right) are extensive due to being determined at each individual age year, so within each year there could be a lot, or little competition depending on how many kids of each age there are - some ages being more populated than others!

Swimmers represented on this page achieved the best improvements on the day, while there were others close on their tail worth mentioning:- Natalie, Isabella, Lloyd, Kelsey, Flynn, Madelin and Ryan.

A few swimmers managed to achieve State times today.

Maggie Peden improved four of her five events

Daniel Foote swimming his 50m butterfly; he improved in three of his four races
