Staged as the strategic preparation meet for obtaining state times for the pre-Christmas State Championships in Brisbane, was Saints & Tobruk clubs' 3-day meet, enabling swimmers the best opportunity for performing at their peak while also allowing sufficient rest time in between their races. All the 50m races were held on the Friday evening, and remaining distances split over two half day sessions over the weekend.

Results were not aged, hence why only a handful of placement results from the top performers - well done to those, particularly Ben who placed, and p.b'ed all his five events. In terms of personal improvement, best results came from Natalie, continuing her winning streak, Jackson, and Mia for improving in all of their events.

Other good performances came from Emma, Jamie and Madelin - and particularly Isabella who swam a total of eight events - and getting p.b's in all-but-one of their races.

The last day ended with some time trials for those who wanted another chance at gaining a state time; Ben, Mark and Madelin stepped up to try - Madelin achieved a state time for 100m backstroke; well done!
