Malanda continued their carnival format from previous years, kicking off with a 'Junior carnival' - with 25m and 50m distances to suit the young swimmers. Stingrays had eight members take part in this section. This was followed by a warm-up break and the older swimmers in their various longer distances. Since there were fewer swimmers attending the carnival finished by early afternoon.

Results were split into ages, with top three place achievers receiving ribbons - results as per the table right. Many swimmers placed in all their events. Those who gained the most improvements include Darcy, Ella, Bella, Daniel and Hayden.

Well done to Malanda pool who got the carnival running to schedule despite a setback only the previous day when their shade structure was destroyed in a freak storm occurrence.
