Our next carnival was Dimbulah; always a favourite despite the distance, we came well equipped with many pop-up gazebos to shade all our members from the fierce sun, which was a bit of a scorcher. Our club had a different mix of swimmers at this meet - down on a few of our accomplished swimmers, but up on some of our newcomers... this meet saw the debut of sisters Charlee and Kaycee Bolton, and new times established by Siena Goulding and Luis Milne. New events were also swum by Sophie, Nate and Maggie as they challenge themselves to tackle new races.

This time it was Benjamin who managed the perfect 'clean sweep', earning first places in all his six events, with Nathan making great strides back on form after a lengthy period of incapacitation. In the personal improvement stakes, the most consistent results came from Daniel, Audrey, Phoebe and Hayden.

Several families made use of the adjoining camping facilities for either one, or two nights, making the travelling a lot more relaxed, swimmers less stressed, and a chance to wind down and enjoy a bit of socialising.
