The grand finale of the short course season saw eleven FNQ clubs come together at Tobruk Pool over two days of swimming. Stingrays was the largest contingent with its 46 athletes present - an awesome turnout! Each day followed a typical spread of events with interspersed long, and short distances, beginning with an IM and ending each day with relays: these were a combination of age groups, with mixed younger ages. The final day culminated in the awards ceremony for Age Champions, Aggregate Awards and Perpetual Awards.
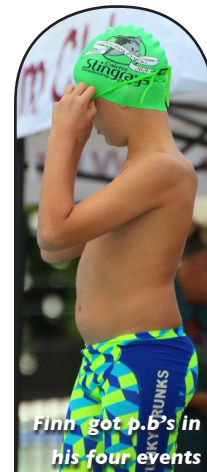

Following on from our clean sweep as overall champion club in both FNQ categories in long course last year, we managed to win the short course relay trophy this time. Well done to all the place-getters shown left, and to all those featured here for achieving p.b's in every event they swam.

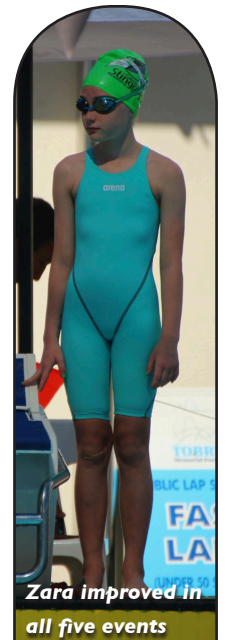

Rayner achieved p.b's in all her six events

Fraser got p.b's in his four events

Finn got p.b's in his four events
