The third long course carnival of the season was held at Trinity Anglican School over two days - the friday evening, with a mixture of middle distance races and two of the 50m races, and then the saturday for all other races broken up by the long distances in the middle. The meet finished

Mark Clark in his 200m backstroke

by early afternoon. Pleasant weather conditions prevailed over the course of the weekend.

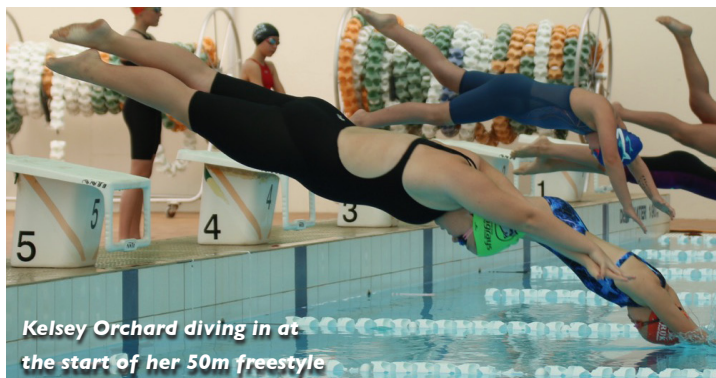

Results were compiled for each individual age, hence the comprehensive table of placements at right. Well done to Albert and Ryan who have both ranked highly in carnival results so far this season. Others who performed consistently at this meet include those pictured here, and in order of their number of p.b.'s achieved are as follows: Kelsey improved in all her five races, followed by Madelin, Mark, Kai, Ryan, Isabella and Albert.

Overall we had a good turnout in numbers considering it was the last weekend of the school holidays, which is a good sign that our swimmers are keen - supported by the parents of course, who are as keen to share in the necessary timekeeping roles at these carnivals... our club is running like a well-oiled machine! Well done, keep it up.
