Coach Ryo's comments and conclusion from the weekend's Championships in Brisbane:

A massive weekend full of amazing swimming plus a lot of happy smiles and superb results! 7 top-10's, and over 44p.b.'s - amazing.

A massive thank you to all our parents, grandparents, friends and siblings for awesome and tireless support over the past four days. Also thank you to club committee for organizing club gear and your support of our athletes. In addition, with appreciation to SQ and all technical officials and volunteers for great organisation over the weekend. These meets couldn't have happened without you all.

Congratulations to our 15 swimmers and entire team Stingrays. You guys are stars.

And a thank you to Coach Ryo from Cairns Stingrays for mentoring and guiding our team to its achievements.
