Kiana diving in. She improved her times in all four events entered.

3 Madelin improved all her three events.

As the first event of the new season, starting with a brief and delayed short course, it was also the first organised event after the disruption of Covid-19 quarantine measures. It had to be operated under strict Covid-19 rules which meant it was 'spectator-free'; essentially run by a bare minimum of officials and other parents in team manager roles. With teams segregated into spaced-out delineated sections, traffic flow procedures to and from the start blocks and away from the pool afterwards, it made for quite a challenging departure to normal carnival procedures. In fact, a photographer was considered non-essential and this page shows photos taken at the second TAS SC carnival, while some swimmers who only attended this carnival can't be featured.

Nate improved all his three events.

The following swimmers improved their times in all their events: 5 events - Joel and Emma; 4 events - Isabella and Kiana; 3 events - Natalie, Madelin, Emilee, Connor, Nate, Flynn, Daniel and Ryan. A good turnout and a solid start to the season from Stingrays.

Natalie improved in all her three events.

Connor improved in all his three events.
