Season 2022-23

Third Short Course Carnival

Josh improves his five events

Emma improved five of her six events

Right: Ruby swims the most events - nine, and gets improved times in all of them, in her 'Girls' 13-yr age group'

Thomas improved in all his four events

Our short course carnival was again held at Gordonvale's undercover 25m pool. In the morning was our 'come-and-try' mini carnival for the little ones, while the main event kicked off at midday.

Stingrays presented a healthy contingent of 35 swimmers, after absentees on the day. Overall, everyone put in their best efforts with an improvement of 61%.

Swimmers featured on this page had the best improvement tallies - many achieving a perfect score improving in every event swum. Special mention should go to Ruby Walkear who improved in all nine of her events AND tops the placement table with eight first, and second places in her age category.

It is an obvious boost to a swimmer's morale to be placed, but sometimes not a useful indication: it heavily depends on how many swimmers fall into each age category - and some ages can be a lot more populated than others; it's all the luck of the draw almost...
